The two friends with whom I had come to the Navy Yard (Captain Harwood and Lieutenant Wise, of the Navy), were old shipmates of the commander of the I restorn, Capt Ward, and we take the domestic sircle. Every family should be little propeller. Suppor was set on the small table, and the Captain in his shirt-st-eves gave lis messmates a mest hilaring welcome—the proximities of active service, pust and future, completity and aith att, and will in all cases give exect lis messmates a mest hilaring welcome—the proximities of active service, pust and future, completity and aith att, and will in all cases give exect lis messmates a mest hilaring welcome—the proximities of active service, pust and future, completity and aith att, and will in all cases give exect lis messmates a mest hilaring to the conversation between those distinguished officers.

JEANS AND LINSEYS—100 bales Negro Jeans and Lineary for the order of the order

After a walk through the various founderies and animalism factories, which are now kept going day and night, we made a visit to Captain Dighton at his official quarters. The great inventor is too famous a person to escape the usual panalty of pre-eminence, and he will forgive methorefore if 1 tell the public what it whehs to know of his personnel. He is a light complex heard man of perhaps forty years of age, slight and of medium height, pale and delicate featured. His countenance is exceedingly throughful and modest, and expresses complete unconsciousness of being observed, while his eye is inevitally keen and his thin nostrils expand as he talks with a flow times using, eurs the most obstinate most obstinate.

NESS OF SPIRITS, SICKNESS AT STOMACH, and will, with a few times using, eurs the most obstinate most obstinate with a few times using, eurs the most obstinate most obstinate.

APPLIED EXTERNALLY,

THURSDAY, JULY 4, 1861 the embargoing of our produce out of Tennes- States?

THE FOURTH OF JULY.-This is the enniversary of American Independence. Eightylive years have passed since our old fathers, in the Hall of Independence at Philadelphia, declared the United States a free and independent nation of the earth.

united and happy nation. It will behold the impost duties or public lands or any other sacred temple built by our fathers defaced and source whatever? strifes of those for whom they won the great hostilities? heritage of freedom.

guilty in the eternal world. We would have hostilities? the day observed by all the patriots of onr nation, but not with shouts and the ringing of bells and the roar of artillery as in the haplast moment of our earthly lives.

debts due from their people to the citizens of the United States, and have denounced severe they have boastfully proclaimed it, that the penalties against the payment of such debts. The Courts of the Southern Confederacy, and talk in favor of the old Union; and the Southall the disunion organs of thet section, including those in Kentucky, seem to take it for

war, they can make the lact of the existence of the war a justification of the seizuro and appropriation of debts due to honest citizens, they are grossly deceived. If they choose to rob, they must not be allowed to allego that they rob according to lew; they must have the three months ago, more or less, a leading infamy ns as well as the booly of the highway- mercantile firm of one of the chief cities of

the Laws (f Nations, upon the closing up of no matter what might come, secession, disunmcreantile transactions between the subjects of ion, or war, the debt would, under all possible belligerent powers by the declaration of war, circumstances, by regarded as sacred and beligerent powers by the declaration of war, using those remarks as if they were intended to spily not only to ordinary husiness traesactions but also to the payment of debts incurred before the war. But this is escandlous mistrepresentation of the great Chanceller's epinicans.

Kent in his Third Lecture examines particularly the claim of a right to confiscate debts contracted hy individuals in time of pence and remaining due to subjects of the enemy at the

This right, thorefore, was edmitted to exist as a settled and decided right stricto pure, though, at the same time, it was conceded to be the universal practice, in forbear to seize and confiscate debts and credits. We may, therefore, lay it shown as a principle of public lew, so far as the same is universal of public lew, so far as the same is universal of and declared by the highest judicial authorities in this country that it resie in the discretion of the legislature of the Union, by a special law for that purp so, to confiscate debts contracted by our citizens, and due to the enem, but, as it is as erted by the same aethor-

Thus it will be seen that, according to the authority upon which the confiscating Consormal State Legislatures of the Southern. gress and State Legislatures of the Southern sacred day by raising the flag of the Southern Confederacy rely, the right of confiscation, so Confederacy. We have already said, and we far as it exists, is "contrary to universal prac-deem it our duty to repeat with emphasis, that tice, a naked and impolitic right, condemned the raising, in a loyal city of the United States, by the enlightened conscience and judgment of of the flag of a nation at war with the United modern times." Of course the confiscation is States would be a very gross and llagitious dishonorable, dishonest, a disgrace to any peo-outrage, but, if any portion of our citizens are them, are as fine specimens of chivalry as the world contains, and their notions of honor are deemed proud and high, hut there is neither lestation. A collision in our city at this time chivnly and mock honor, where honesty is rible evil. wanting. Too many of the people of the South, who fancy that they bave a lefty | What has become of Gov. Hammond? seorn of all things mean and low, have What of Orr? What of Iverson? What of convinced themselves that there is something Toomhs? What of Kett? What of Pryce pleheian and vulgar, something beneath the Ouly n few months ago these names were in dignity of a gentleman, in the payment of all mouths and in all paragraphs. Now we debts, and it is evident that Southerners of hear them not, and we read them not. They this class have got possession of the Congress are forgotten. Their places are taken by Daof the Southern Confederacy and the Legisla- vis, Beauregard, &c. tures of Tennessee, Georgia, and Virginia. Wondrons are the casualties that heldll great Oue thing however is certain-all the villain- notabilities. This war scents more extinguish. ous leg-slation in the world caunot prevent a ling than distinguishing. true gentleman and a true man from paying his honest debts where they are due. Voltaire | The U. S. troops make compensation for says, that, "when war was declared between the means of subsistence that they obtain in France and Spain in 1681, the King of Spain Virginia but the Confed rate State troops de cudeavored to seize the property of the French not. The Virginians are treated far better h in Spain, but not a single Spanish factor would their enemies than by their friends. The latbetray his French correspondent." Private ter rob their grazing and grain fields, their stacitizens can be honorable and honest, even bles, their barns, their pig-pens, their sheep though Legislatures and Kings be knaves. folds, their poultry yards, their meat houses

The Southern newspapers are topping role white major. It has not you chably the last a man a cost as lave raise money for their government, are pledging kindled might be easily extinguished.

South Carolina asks for a Pri. of the and the wom a pledging their bracelets, their blood to rule over uer. We garss the l'.ince rings, and their breas pins, why can't Floyd of Il ails would best suit her feelings and and Thompson raise the whole necessary emotions at this time.

LOUISVILLE JOURNAL Cour neighbor of the Courier publishes what he calls "questions for the people," Let n; look ut two or three of them: If it required seven years in the times of George III, a wage wer for the subjugation of three millions of white free born Americans, how long will it take Abraham Lincoln's Government to get these the with that it. o got through with "sulj gating" eight millions this gallant State, therefore, takes position f the same sort of people?

Il secessionism, in the brief time it has been hard at work here, has got itself down to one that has occurred in several months past notheighth of the popular strength in Louisville ing is more full of meening then these deciand to about the same condition in the whole ded results in the Border States. Standing in State of Kentucky, how long before it may the very presence of the frightful evils which For tall particulars as to terms of yearly adv. respect, at this rate, to sweep city and State in have been brought upon neighboring communities, accesses are local particulars as to terms of yearly adv. respect, at this rate, to sweep city and State in have been brought upon neighboring communities. glorious triumph?

If the British Government incurred a netional eht of £500,000,000, or £2,500,000,000, in vaine how much will it now cost the Federal Gov nent to try the same experiment, to their own a isfaction, upon eight millions?

If the Confederate States, during the shor eriol of this war, have expended all the money they could command, if they are cut off from all importations and all exportations, i they are unable to obtain the loan of a dollar tion. Why is it that the Nashville Directors of in any foreign country on earth, if they are the Lou sville and Nashville Railroad, after ac- ealling upon their own men to len I them extquiescing with the u most alacrity in the or- ton and their women to lend them jewelry, if d rs of the Confederato States Government for they are transacting all their husiness with rag imburgoing the great Southern staples out of that no infinit Methus, I sh among them will Kentucky, come here, and, by uniting with the ever live to see redeemed, how do they expect secessionists in the Louisville Directory, get to get the enormous amount of pecuniary a vote adopted to set at defiunce the means necessary to enable them to withstand

ob) per annum towards the support of the Feder-l government when its fold expenses were 49,900 000, how much would they have to pay xpenses are to be about \$100,000,000? expenses are to be about \$100,000,000?

If the people of Kentucky are troubled at the thought of their expenses in the United Gloriously but through danger and toil and States when every sensible statesman can tell sound enother charge, will not fall in vain blood that subline declaration was made good. Them that the whole will be defrayed by the Generation after generation has hailed each return of the day of the natiou's nativity with high | without their being conscious of paying a doland enthusiastic joy. But now, alas, we behold but, what must they think of being celled on, a change, a deep aud fearful change. The morn- as citizens of the Southern Confederacy, to ing sun will perhaps rise as brightly to-day as meet their proportion of a horrible wer debt of it has risen in the past birthdays of our coun- hundreds of milhons hy direct taxation, in try, but it will not rise, as it has risen, upon a the absence of everything like revenue from

shattered by sacrilegious hands. It will behold the fields which they consecrated by their hlood descerated and mede red by the fraternal place of those for whom they won the great the extricts of those for whom they won the great the first year of actual to the South. by practical facts of the nilstakes into which they had fallen, and of the false views which remoteness from the scene of action and misrepresentations had induced them to form. Some of them responded promptly and creditably, others were slow to reliequish their preconceived ideas, but gradually yielded, and have now almost come over to our side.

The pepular sentiment in England, Ireland, and Sco land is almost entirely with us; and the knowledge of that fact has had much to do undoubtedly with the recent action of the government. All the people I met in the cars, steam hoats, botels, and iostitutions, and with whom I had any opportunity of conversation—which I always sought when it was proper—were adopt for the Union, and anxious for its preservation at any cost. I did not mee ore man who expressed virtue of the conversation of the growing which is not the conversation of the growing with the recent and who expressed virtue of the conversation of the growing with the recent action of slavery. The repease less that the color of the conversation of slavery. The repease much that mighty multitude was like the invocating of distant thurder. Such an amount over token is a such to the conversation of slavery. The repease much that mighty multitude was like the invocating of distant thurder. Such an amount over token are such that fact lated the feeling which exists a mong the masses in Lagland, and which me Ministry dars resist.

INTIMATE ENFORS - A Washington come spondent of a l'hilad Inhia paper writes; The pickets of the Federal and Confoderate soldiory up above the Chain Bridge have exchanged civilities. Two of them dropped their markets and took a drirk of whisky together of dry or two elece. The Fon'edware picket crid out from a distance, esking the United States soldier if he had enything in the drioking line. The reply reas salisfactory, and an arrangement was soon made whereby both parties left their arms and met half way, "smiled," and returned to their picket duty.

[By telegraph to the Cincinnati Commercial.]

Wasting row, July 2.

The National Capital is overflowing with soldiers, politicians, and jobbers. Two thirds of the Congressmen have already nrrived.

The total number of regiments in and about Washington were increased by to-day's arrival to 75.

The rotal number of regiments in and about Washington were increased by to-day's arrival to 75.

The rotal number of regiments in and about Washington were increased by to-day's arrival to 75.

The rotal number of regiments in and about Washington were increased by to-day's arrival to 75.

The rotal number of regiments in and about Washington were increased into Virginia with a battery of flying arrillary.

Military matters a tinue moticuless. That lyng threatened forward movement is apparently as removed as ever. It is declared, however, in high quarters, that when Scott commences moving, the country will be astonished at the rapidity, and Prostonished at the rapidity, and Prostonished at the rapidity, and Prostonished at the rapidity, or at their lumber yard, corner of Walnut, and Prostonished at the rapidity, and Prostonished at the rapidity and Prostonished at the rapidity, and Prostonished at the rapidity and Prostonished at the rapidity, and Prostonished at the rapidity and Prostoni The pickets of the Faderal and Confiderat The pickets of the Faderal and Confidential soldiery up above the Chain Bridge have exchanged chilities. Two of them dropped their muskets and took a drirk of whisky together edity or two floce. The Funfedential picket cried out from a distance, seking the United States soldier if ha had enything in the drioking line. The reply was satisfactory, and an arrangement was soon made whereby both parties left their arms and met half way. "smiled," and returned to

quarters, that when Scalt commonces moving, the country will be astonished at the rapidity, mementum, and victorious sweep with which adriver, or at their lumber yard, corner of Walnut | the 4th ances will be made It is not true that Fremont has been assigned Galt House, Louisville, Kv. rper's Ferry or other definite command. A lond of promise is that By-and-by. In it we all have rich possessions, the anticipated enjoyment of which alone renders life lolerable.

ITALY—Cayour's death has not led to uny disastrous results; in fact, it is even said to have been productive of coot. The great minister is succeeded at this head of the Cunneil and in the Fereign Department by Baron Riese h, who was for any part of the land of the Cunneil and productive productive productive productive for any part of the productive productive productive for any part of the productive p

of great energy, and of no mean intellectual powers. So, so if the old uthristers retain their places, others are real-seed by new hands, who, however, do not demand especial netice.

It is now accorded in several of the continental papers that the I rench severage has lutimated to Victor Emanual that the recognition is to be laked for very shortly, and the has exherted Austria to do likewise. I have very little doubt that the statement is trustworthy; and, affined, the death of Cavour may have hastened the step, it would have come at no distant date in any it is at heat in any it is at heat in any in the like of any in and high and the like of the out it was the like of the one. Many it was the like of the one. Many it was the lik

Such is her vocation.

The couch of the tortured sufferer, the prison of the desarted friend, the cross of the rejected Savior—these are too theatres on which her greatest triumphs have been achieved. Such is hor destinal to visit the fersaken, to tend the neglected; when monarcha abandon, when counsellors belray, when justice prosecutes, when brethren end disciples flee, to remain unshaken end uncharged, end to exhibit in the lower world a type of thet love—pure, constant and ineffable—which in another we are taught to believe the test of virtue.

Gen. Lee.—One of the most sorrowful men living is General Lee, who is in command of some of the robal forces in Virginia. There is a report that he is so dissatisfied that he intends to resign his command and would like to be received back in the United States army. We doubt the truth of the latter clause of this stetement, but the former is probable. General Lee is the owner of the Arlington property, now occupied by the Federal General, in continued in Virginia, and his staff. We know that Mrs. Lee has written several letters to en efficer of the staff, giving directions or making requests about the preserva-

his staff. We know that Mrs. Lee has written several letters to en efficer of the staff, giving directions or making requests about the preservation of the property, es if she expected to be allowed to occupy it use ome day nut distant. Wo know, also, that a gentloman of this city, coming from Virginia, net General Lee, whom he knows well, at Manessas Junction, two or three weeks sgo, and describes him as very much depressed. Well may he be depressed. It is has forefitted his honor and lost his country. He see hefere him nothing but defeat end disgrace. A carser, hereofore honorable, is brought to a close of ignominy. We do not wooler that he should want to get away from the sorvice of the roble government; but we should wonder if he were to hope to get back into the Federal service; though, after the redoration of Emery, there end he into the short space of six mouths at loss to discover the redoration of Emery, there end he into the short space of six mouths at loss to discover the filter wonder if all the traitors should come back to be geommissions.—Philadelphia Bulletin.

This preparation will check d'erribee in ten minutes, and abate other premanilory symptoms of cholera immediately. In cases of cholera it has been used with great eucons, to restore reaction, by cutward application .- I'hi'a Inquirer. What a Child Can Do -A brother who labors most efficiently for the Sunday School cause, gave an account of a poor little girl, the chill of a poor woman who gained her bread by selling apples in the market. This little child wee taken to the Sabbath School, and there she was converted to Christ. She then, like a little missionary, perfunded law other poor little girls to attend the Sabbath School, who were also brought to the Saviour, and hecame devoted Christians. As these children grew up to the ages of lifteen or aixteen, they were sent of a purt of the country where nothing was done for the religious instruction of children, and whore, by their influence and effer a cleven Sanday Schools have been from! These eleven chools, and the it lience they are exerting, any be traced to the efforts of the poor little daughter of the apple woman.

the poor little daughter of the apple woman.
